[PROPOSED] ORDER APPROVING DISTRIBUTION OF THE RESERVE FUND

After review of Direct Purchaser Plaintiffs’ (“DPPs”) Motion for an Order Authorizing Disposition of the Reserve Fund (“Reserve Distribution Motion”), the Memorandum in support thereof, and the entire record in this matter, IT IS HEREBY ORDERED AND ADJUDGED as follows:

1. The procedures used and actions taken by Claims Administrator Kurtzman Carson Consultants (“KCC”) and DPPs’ Class Counsel for the administration of the Settlements and initial distribution of the settlement funds are hereby adjudged to have been proper and complete, and the administrative determinations of KCC in accepting and rejecting late Claims filed in this matter are approved.

2. The properly documented reserve fund Claims listed in Exhibit B to the Affidavit of Derek Smith (“Smith Affidavit”), submitted as Exhibit 1 to DPPs’ Reserve Distribution Motion, for previously Authorized Claimants with Claims worth more than \$250 that cashed their initial distribution checks are approved. These Claims are henceforth referred to as the Authorized Reserve Fund Claimants.

3. The recommendation by KCC to accept the claims listed in Exhibit C to the Smith Affidavit that were not included in the initial distribution but were the subject of compelling

circumstances, as required by Paragraph 6 of the Order Approving Distribution of the Remaining Settlement Funds, dated December 13, 2019 (the “Initial Distribution Order”), is approved and those claims are accepted. These Claims are henceforth referred to as the Authorized Additional Claimants.

4. KCC is directed to distribute the reserve portion of the Net Settlement Fund to the Authorized Reserve Fund Claimants and Authorized Additional Claimants as delineated on Exhibits B and C of the Smith Affidavit, in accordance with the Plan of Distribution, and each Authorized Reserve Fund Claimant or Additional Claimant shall receive his/her/its share of the Net Settlement Fund calculated by KCC, based on their calculated recognized Claims, after subtracting any payment he/she/it received as part of the Initial Distribution.

5. No additional fees or expenses are to be paid from the reserve portion of the Net Settlement Fund in connection with this Second Distribution.

6. Checks for distribution to the Authorized Reserve Fund Claimants and Additional Claimants shall bear the notation “Non-Negotiable After 90 Days” and no check shall be negotiated from the settlement funds more than 90 days after the date of the check. Any checks that are reissued at the request of the claimant shall bear the notation “Non-Negotiable After 30 Days” and no reissued check shall be negotiated from the settlement funds more than 30 days after the date of the check.

7. One year after this distribution of the reserve portion of the Net Settlement Fund to Authorized Reserve Fund Claimants and Authorized Additional Claimants, KCC may destroy all claim forms and related correspondence. However, KCC shall retain all administrative records, including its copy of the Claimants Listing and its computer database and programs used to create the Claimants Listing, for a period of three (3) years after this distribution of the reserve portion

of the Net Settlement Fund to Authorized Reserve Fund Claimants and Authorized Additional Claimants.

DIRECT PURCHASER ACTIONS**

**MEMORANDUM IN SUPPORT OF DIRECT PURCHASER PLAINTIFFS' MOTION
FOR AN ORDER AUTHORIZING DISPOSITION OF THE RESERVE FUND**

In its Order Approving Plan of Distribution (ECF No. 765) and its Order Approving Distribution of the Remaining Settlement Funds (ECF No. 887) (the “Distribution Order”), the Court, among other things, approved Direct Purchaser Plaintiffs’ (“DPPs”) proposed Plan of Distribution and authorized the distribution of approximately 90% of the Net Settlement Fund (the “Initial Distribution”). Pursuant to those Orders, at the direction of Class Counsel, on February 7, 2020, Kurtzman Carson Consultants (“KCC”), the claims administrator, mailed checks to 3,089 Authorized Claimants. *See* Affidavit of Derek Smith (the “Smith Affidavit”) (attached as Exhibit 1), ¶ 3. Now, pursuant to Paragraph 7 of the Distribution Order, Class Counsel hereby moves the Court for an order authorizing the distribution of the remainder of the Net Settlement Fund (“Second Distribution”) to (1) Authorized Claimants that cashed the checks they received as part of the Initial Distribution, except for those that received the full \$250 payout to which they were entitled (“Authorized Reserve Fund Claimants”), and (2) twelve claimants with claims that were not included in the Initial Distribution, but which were able to demonstrate compelling circumstances to qualify for the acceptance of their claims under Paragraph 6 of the Distribution

Order (“Authorized Additional Claimants”) (and, together with Authorized Reserve Fund Claimants, “Authorized Second Distribution Claimants”).

After the Court’s Initial Distribution Order, as ordered, KCC mailed 3,089 checks (worth \$109,779,623.70) to Authorized Claimants. *See* Ex. 1, ¶ 3. The Initial Distribution included (a) 1,562 Authorized Claimants that received approximately 90% of their estimated distribution, and (b) 1,527 Authorized Claimants that received a one-time \$250 payment. *See Id.* Nearly all Authorized Claimants (96.63%) cashed their check, including 1,523 out of 1,562 Authorized Claimants that received approximately 90% of their estimated distribution. *See Id.* As a result, 1,523 Authorized Reserve Fund Claimants are now eligible for the Second Distribution called for in Paragraph 6 of the Distribution Order. The \$251,121.63 of the \$109,779,623.70 distributed to Authorized Claimants as part of the Initial Distribution that remains as a result of uncashed checks will be added to the amount to be distributed in this Second Distribution. *Id.*

In addition to the 1,523 Authorized Reserve Fund Claimants, there are also twelve claimants that were not included in the initial distribution, but through no fault of their own. Therefore, Class Counsel and KCC believe there are “compelling circumstances justifying the late acceptance of” these claims pursuant to Paragraph 6 of the Initial Distribution Order, *see id.* at ¶ 4. The additional twelve claimants include the claim submitted by L&W Supply Corporation for purchases made by NexGen Building Supply as authorized by the Court on July 7, 2020 (ECF No. 962).

KCC therefore recommends (1) the approval of 1,523 Authorized Reserve Fund claims for Authorized Claimants that cashed their checks as part of the Initial Distribution, (2) the approval of twelve authorized additional claims, and (3) that the approved reserve fund claims be paid in the estimated amounts set out in Ex. 1. *See* Ex. 1, ¶ 5 and Exhibits A (all Authorized Second

Distribution Claimants), B (Authorized Reserve Fund Claimants only) and C (Authorized Late Claimants only). Based on Class Counsel's judgment and experience, and on KCC's recommendation, Class Counsel request that the Court authorize disbursement of the remaining \$13,358,318.52 from the Net Settlement Fund (including \$251,121.63 from uncashed checks) to the 1,535 eligible claimants, *see* Ex. 1, ¶ 5, in the estimated amounts set out in Ex. 1 and its Exhibits B and C.¹

In the event that there is any money left over after this proposed Second Distribution, from uncashed checks or otherwise, Class Counsel will move the Court for further authorization to distribute those remaining funds to an appropriate *cy pres* recipient.

CONCLUSION

For the above reasons, Class Counsel request that the Court authorize the disbursement of \$13,358,318.52 (the remainder of the Net Settlement Fund), in the recommended estimated payment amounts, to the 1,535 approved claimants.

¹ Exhibit B includes the *pro rata* calculation to determine the final proposed distribution amount for each Authorized Reserve Fund Claimant after adding the funds resulting from uncashed checks to the approximately 10% reserve fund, while subtracting the entire *pro rata* share from the initial Net Settlement Fund to which each Authorized Additional Claimant would have been entitled had its claim been timely filed. Authorized Additional Claimants will receive 100% of that *pro rata* share as part of this Second Distribution, while Authorized Reserve Fund Claimants will receive approximately 10% of their *pro rata* share of the Net Settlement Fund (as they already received approximately 90% during the Initial Distribution). Ultimately, after accounting for uncashed checks and authorized additional claims, Authorized Reserve Fund Claimants will have received 91% of their award as part of the Initial Distribution and 9% of their award as part of this Second Distribution. *See* Ex. 1, ¶ 5.

EXHIBIT 1

**IN THE UNITED STATES DISTRICT COURT
FOR THE EASTERN DISTRICT OF PENNSYLVANIA**

IN RE: DOMESTIC DRYWALL ANTITRUST LITIGATION	MDL No. 2437 13-MD-2437
THIS DOCUMENT RELATES TO: ALL DIRECT PURCHASER ACTIONS	Hon. Michael M. Baylson

DECLARATION OF DEREK SMITH

RE: DISTRIBUTION OF THE NET SETTLEMENT FUND RESERVE

STATE OF CALIFORNIA)
) ss:
COUNTY OF MARIN)

I, Derek Smith, declare that:

1. I submit this Declaration in order to provide the parties and the Court with information regarding the Initial Distribution and the proposed Second Distribution.

2. I am a Director of Class Action Services at KCC Class Action Services LLC (“KCC”), located at 1 McInnis Parkway, Suite 250, San Rafael, CA 94903. I am over 21 years of age and am not a party to this action. I have personal knowledge of the facts set forth herein and, if called as a witness, could and would testify competently thereto.

Initial Distribution

3. On February 7, 2020, KCC caused the Initial Distribution of 3,089 checks, totaling \$109,779,623.70, to be issued to the Authorized Claimants. The Initial Distribution included a) 1,562 Authorized Claimants that were issued approximately 90% of their estimated share of the

settlement funds, and b) 1,527 Authorized Claimants that were issued a one-time \$250 payment. To date, 2,985 of the 3,089 (96.63%) Authorized Claimants have deposited their checks, worth a combined value of \$109,528,509.52. That total includes 1,523 of the 1,562 (97.5%) Authorized Claimants that received 90% payments (“Authorized Reserve Fund Claimants”) and 1,463 of the 1,527 (95.81%) Authorized Claimants that were sent one-time \$250 payments. The amount of \$251,114.18 (0.23% of the total amount issued) currently remains uncashed.

4. Following the Initial Distribution on February 7, 2020, KCC has received 12 additional claims submitted with compelling circumstances. This includes the claim submitted by L&W Supply Corporation for purchases made by NexGen Building Supply as authorized by the Court on July 7, 2020 (ECF No. 962) and two timely emailed claims that were inadvertently omitted from the Initial Distribution. KCC recommends the full value payment of these 12 additional claims be made directly to the 12 claimants (the “Authorized Additional Claimants”) as part of the Second Distribution. Those payments represent 100% of the *pro rata* shares each would have received had their claims been included in the Initial Distribution.

Second Distribution

5. The Net Settlement Fund has a reserve of \$13,107,196.89 after payment on May 28, 2020 of \$1,039,629.93 to US LBM made in accordance with the Court’s April 20, 2020 Order (ECF No. 940). Combined with the uncashed check amount and small residual of \$251,121.63, there is \$13,358,318.52 available for the Second Distribution (the “Reserve Fund”). KCC recommends that the 1,523 Authorized Reserve Fund Claimants and the 12 Authorized Additional Claimants, a total of 1,535 Authorized Second Distribution Claimants, be paid according to Exhibit A. A true and correct copy of Exhibit A is attached hereto. A true and correct list of the 1,523 Authorized Reserve Fund Claimants is attached hereto as Exhibit B. A

true and correct list of the 12 Authorized Additional Claimants is attached hereto as Exhibit C. As a result of the acceptance of these 12 additional claims, the Authorized Reserve Fund Claimants will have received 91.00% of their total distribution during the Initial Distribution and the remaining 9.00% of their total distribution during the Second Distribution.

6. Upon approval of the Court, KCC will promptly mail all Authorized Second Distribution Claimants their approved shares of the funds.

7. KCC's conclusions regarding the sufficiency and *pro rata* calculation of class claims reflect KCC's independent judgment and were not improperly influenced by any of the parties' legal counsel to this action or any other outside person or entity.

8. The administration of claims in this matter was performed in a matter consistent with the process of other direct purchaser antitrust actions in which KCC has been involved.

I declare under penalty of perjury that the foregoing is true and correct to the best of my knowledge.
